## EXHIBITOR GUIDELINES

32<sup>nd</sup> ANNUAL CONFERENCE  
Cinergy Center  
November 2-5, 2006  
Cincinnati, Ohio

The following guidelines governing the exhibits under the Policy and Procedures established by the Executive Board of the American Mathematical Association of Two-Year Colleges (AMATYC) are part of the application for exhibit space and they together constitute a contract between the EXHIBITOR and AMATYC.

The purpose of the AMATYC exhibits is to promote the advancement of mathematics education. The exhibits are intended to complement and enhance the AMATYC Annual Conference.

AMATYC reserves the right to prohibit any exhibit, part thereof, or proposed exhibit that, in its opinion, is not suitable or in keeping with intentions and/or purposes of the organization. AMATYC retains the right to restrict exhibits that may be objectionable due to noise, booth operation, printed materials, or any other reason and also to prohibit or evict any EXHIBITOR that, in the opinion of AMATYC may detract from the general intent and purpose of the exhibit area as a whole. This reserved right includes persons, things, conduct, printed material, or anything else that AMATYC determines is objectionable. In the event that such restriction or eviction occurs, AMATYC is not liable for any refunds or other EXHIBITOR expenses or damages of any nature.

### **BOOTHS**

The cost of each booth includes a backwall and sidewall draping and a company identification sign. The cost does not include drayage, custom brokerage, placement or storage of display-related equipment, tables, chairs, decoration or carpeting of any type, labor (i.e., carpenters, electricians, draperymen, guard service), special lighting, electrical power, gas or water. Exhibitor materials displayed in booths should be arranged in a way so that sight lines of adjacent exhibits are not obstructed. For example, a 10' by 10' booth can only use a maximum height of 8' in the back half of their exhibit booth and a maximum height of 4.5' in the front half of their booth. Also, for a 20' by 10' booth occupying both corners at the end of an isle, the maximum height of usage is 8' only for the 10' wide center back half of the booth area and a maximum height of 4.5' for the remaining sides of the booth. All exhibitors are expected to be professional and courteous to other exhibitors and AMATYC attendees by only conducting sells or demonstrations within their contracted exhibit space. Sells and demonstrations must not encroach on the activities of nearby exhibitors or the isles.

### **SECURITY**

A security guard will be furnished by AMATYC to be on duty in the Exhibit Hall. However, the safekeeping of the EXHIBITOR'S property shall remain the sole responsibility of the EXHIBITOR.

### **INSURANCE**

AMATYC and Cinergy Center (hereinafter the "Center") do not maintain insurance covering EXHIBITOR'S property or employees. It is the sole responsibility of the EXHIBITOR to obtain public liability insurance, business interruption insurance, property damage insurance, and workers' compensation insurance covering and protecting EXHIBITOR against all such losses as referenced in these Guidelines.

AMATYC shall not be liable for damage or injury occasioned by the sole negligence of AMATYC, the Center, the drayage company, or the "service provider."

### **EXHIBITOR BADGES**

Appropriate badges will be furnished to EXHIBITORS and their employees (no authors) in the ratio of 5 badges per booth space purchased. EXHIBITOR badges allow admittance to the Exhibit Hall and AMATYC Conference one-hour sessions. EXHIBITOR badges do not allow admittance into AMATYC Conference workshops, symposia, or meal functions—conference registration is required for admittance to these AMATYC functions.

**Authors are not entitled to receive an Exhibitor badge. All authors are required to register for the conference even if they are attending only to promote their published materials.**

### **SELLING RESTRICTIONS**

EXHIBITORS are solely responsible for the acquisition of all state and local permits and for all tax forms and the filing and payment of any and all state and local taxes generated by the over-the-counter sale of merchandise during the run of the conference.

### **LOCAL RESTRICTIONS**

EXHIBITORS are solely responsible for the acquisition of all state and local permits and for all tax forms and the filing and payment of any and all state and local taxes generated by the over-the-counter sale of merchandise during the run of the conference. EXHIBITORS are solely responsible to enforce any and all local regulations when the exhibitor serves alcohol at any AMATYC event. Exhibitor agrees that it and its agents and/or employees will not see, give away or bring upon the premises any intoxicating liquor, liquids or compounds. Exhibitors wishing to offer alcoholic beverages in a booth are required to make arrangements through the in-house exclusive caterer for the Center.

**SERVICE PROVIDERS**

The Center and/or AMATYC may have selected an official service provider (“contractor”) for the conference, in which event every EXHIBITOR must use only said contractor and EXHIBITOR shall then be solely responsible for its payment to contractor. Participant information in this regard will be mailed with order forms, rates and instructions on the services provided as well as drayage and labor instructions in the EXHIBITOR’S service kit.
