

## Wireless High-Speed Internet Service (WiFi)

We are pleased to announce the implementation of Wireless High-Speed Internet Service, (WiFi), in all Riviera guest rooms. The charge for this service is \$9.95 per 24-hour period. Guests that wish to utilize this service must purchase the service from their guest room by charging their major credit card the \$9.95 fee. This charge cannot be billed to any guest folio, including comp folios and master accounts.

Our high-speed Internet service is only wireless based and requires a users laptop computer or PDA to be WiFi wireless capable. When a user “powers up” a WiFi capable device and selects the appropriate option to access the Internet, a “LodgeNet”, WiFi service purchase screen will appear. Our guest simply enters his credit card information on this screen and accepts the terms and conditions of the purchase. Their credit card is then authorized, after-which the guest has immediate wireless high-speed Internet access for the following 24-hours.

If a guest logs-off and later logs back on within the same 24-hour period he will only be charged \$9.95 for that entire 24-hour period. However for this to occur, each time the guest logs-on it must be from the original guest room and he must provide the same credit card information that was provided on his first log-on. This is required for identification purposes.

Most new laptop computers and PDA’s are manufactured with built-in WiFi compatibility. Older laptops will require a WiFi adapter card that will soon be available for purchase in the Riviera Business Center. The purchaser can use these WiFi adapter cards outside the Riviera anywhere that WiFi services are offered, including airports, other hotels, Starbucks, etc.

Tent cards that advertise our wireless high-speed Internet services have been placed in all Riviera guest rooms. This tent card also provides a 24/7 toll-free technical support telephone number to assist any guest that has difficulty logging on to our service. This toll-free technical support number is 1-800-351-1509 and is completely free to our guests as no telephone charge will appear on their guest folio from dialing this number.
