# Math 1111 – College Algebra

## Exam 1

Exam Score:
-------------

### Disclaimer:

You need only a writing utensil to complete this exam.

If you would like scratch paper, simply raise your hand or quietly grab some off the front desk. You may not provide your own scratch paper. Please attach all scratch work to the exam when finished.

Each problem is worth 5 points. Use exact answers where possible. If you must use decimals, round to the nearest hundredth.

### **Cheating is an academic crime and is punishable by academic death.**

Calculators are allowed but you must provide your own. You may not share calculators. If any memory or part of the calculator is found to store formulas, equations, or notes; it may be confiscated for duration of the exam.

**Please be sure to mute or silence all cell phones, NOW! You will lose half a letter grade on the exam if your phone distracts the class.**

No cell phones may be in plain site (i.e. – put them away in a pouch or backpack)

You are free to leave when finished. Please exit quietly.

Current Grade in Course:	
--------------------------------	--

***BOX ALL ANSWERS ! ! ! ! – no credit may be awarded to answers not boxed in clearly***

I hereby agree to all terms and restrictions stated above and I will accept any penalty deemed necessary for any failure to comply with said terms and restrictions for this exam.
