

Dynamic Visualization Tools for Multivariable Calculus (NSF – DUE – CCLI #0736968)

<http://web.monroecc.edu/calcNSF/>

Paul Seeburger, Monroe Community College
Rochester, NY pseeburger@monroecc.edu

Use 3D glasses for these.
The effect is best on the computer.

Stereo View (Look at left image with your left eye and right image with your right eye. You will see three images. The middle one will be 3D.)
