

AMATYC Networks (ANets)

If you are interested in forming an AMATYC Network (ANet), please complete this form and send it to the AMATYC Office.

Describe the Topic or Area of Interest for the ANet and explain how it fits with the mission and goals of AMATYC. (See the AMATYC website, www.amatyc.org, for AMATYC's mission and goals.)

Provide complete contact information (name, mailing address, email) for the AMATYC member proposing the creation of the ANet.

Name _____

College _____

Email _____

College Address
Street _____

City _____ **State** _____ **Zip** _____

Phone _____

Residence Address
Street _____

City _____ **State** _____ **Zip** _____

Phone _____

Indicate preferred mailing address College

Residence

Provide the names, colleges, and email addresses of at least five (5) AMATYC members interested in joining the proposed ANet.

| Name | College | Email |
|------|---------|-------|
| | | |
| | | |
| | | |
| | | |
| | | |

ANets are assigned to current AMATYC committees to assist with coordination. Indicate to which AMATYC academic committee you feel the ANet should be assigned.

| | |
|---|---|
| θ Distance Learning | θ Faculty Development |
| θ Placement and Assessment | θ Technical Mathematics/AAS Programs |
| θ Equal Opportunity in Mathematics | θ Foundation/Developmental Mathematics |
| θ Program/Curriculum Issues | θ Technology in Mathematics Education |

Please send the completed form to the AMATYC Office. The Office will verify memberships and forward the proposal to the appropriate committee chair and Board liaison for processing. The proposer will be contacted about the status of the proposed ANet by a Board representative.
