

## Raise the Standard

When you teach at College of DuPage you can provide direction for students' lives. As the second largest higher education institution in Illinois and the fifth largest single-campus community college in the nation, we strive every day to find new and better ways to prepare students to meet every challenge.

### ADJUNCT FACULTY, MATHEMATICS

College of DuPage seeks an Adjunct Faculty, Mathematics.

#### Requirements:

- BA or BS with at least a minor (12 semester hours) in mathematics required; MA or MS strongly preferred.
- Teaching experience at the secondary school or college level is preferred.

Starting faculty salaries are dependent on education and experience. College of DuPage also offers a generous benefits plan.

Teaching at College of DuPage is enhanced and enlivened through institutional support of faculty creatively engaging in instructional development, research to improve student learning and remaining current in their field of specialty.

The student population at the college is diverse in ethnicity, gender, language, age and background. College of DuPage is an AA/EO employer and strongly encourages applications from candidates who would enhance the diversity of its faculty.
