

Mathematics Instructor

Black Hawk College, located in Illinois, seeks a full-time, tenure-track Instructor of Mathematics. This position will begin in January 2012 (Spring semester) at the Quad – Cities Campus.

M.A. or M.S in mathematics is required. Successful teaching experience at the secondary or college level is preferred. Oral English proficiency for classroom instruction is required. Office hours will be required. Advising, recruiting, and student activity participation is encouraged. Contribution to departmental class scheduling, curriculum development and departmental meetings is expected as is participation in College-wide committees.

For more information regarding qualifications and/or how to apply for this position, visit www.bhc.edu/employment. Applications accepted online only. This position is open through September 30, 2011. Salary is commensurate with education and experience. BHC offers an excellent benefits package.

Black Hawk College is a comprehensive community college serving over 11,000 college credit students, 3,000 Adult Basic Education students, and 16,000 Continuing Education and Workforce Training adults a year with high quality, cost-effective lifelong learning.

Two campuses offer excellent facilities, small class size and individual attention. The Quad-Cities Campus is located in Moline, Illinois and the East Campus is located in Galva, Illinois (south of Kewanee). The College also operates numerous satellite sites in the area.

PLEASE NOTE: This position requires you to attach a cover letter, resume, transcripts, AND three letters of recommendation. Your application will be incomplete without these materials and will not be considered. If you are unable to attach these documents, please contact Human Resources no later than 4:30pm on September 30, 2011.

LETTERS OF RECOMMENDATION: It is the applicant's responsibility to see that letters of recommendation are attached by the closing date. If your letter-writer will not provide the letters directly to you to be attached, the writers must submit the letters to Human Resources by one of the following modes: email, mail, or fax. Letters must be received by the Human Resources Department no later than 4:30pm on September 30, 2011.
