

A place where you belong

MATHEMATICS Instructor (Temporary Full-Time)

Inver Hills Community College seeks two Mathematics instructors dedicated to excellence in teaching who desires to become part of a creative, vibrant, student-centered learning community. The successful candidates will demonstrate a commitment to interdisciplinary and cross-cultural perspectives. Faculty members at Inver Hills are professionally active scholars who participate in departmental and campus-wide activities to enhance their disciplines, promote interdisciplinary discourse and collaboration, and advance the college mission. The college is committed to reflecting a diversity of perspectives and backgrounds among its administrators, faculty and staff.

Application Deadline: February 5, 2010

Appointment: Full-time, temporary (one year) starting August 17, 2010 and ending May 15, 2011.

Responsibilities:

- Participate in department and college curriculum development.
- Deliver classroom, web-enhanced and/or online course instruction.
- Conduct classroom research and other assessment/evaluation activities.
- Mentor and advise students.
- Participate in committee assignments and college-wide initiatives.
- Participate in department accreditation and review.
- Engage in scholarly and other professional development activities.

Course assignments include day, evening, and weekend hours; and off-site locations.

Minimum Qualifications:

- Master's degree with a major in Mathematics; or Master's degree in any field with 24 graduate quarter/16 graduate semester credits which would apply to the Mathematics major.

Preferred Qualifications:

- Master's or Ph.D. degree in Mathematics.
- Higher education teaching experience with diverse student population.
- Experience with learning communities or team teaching.
- Experience in curriculum development.
- Experience incorporating technology into curriculum delivery, including web-enhanced and online instruction.

- Experience developing and using student-centered, active and experiential learning strategies.
- Experience integrating cross-cultural and interdisciplinary perspectives in course instruction.
- Experience assessing student academic achievement of campus-wide and classroom learning outcomes.
- Experience with accelerated adult learning.

Application requirements: Visit us at <http://www.inverhills.edu/HR/> and click on the Academic and Administrator Jobs link to apply.

Founded in 1970, Inver Hills is a comprehensive community college offering 26 degree options including the Associate in Arts (A.A.), a liberal education degree that leads to transfer to four-year colleges; the Associate in Fine Art (A.F.A.) degrees in studio arts and music; and the career-related Associate in Science (A.S.) and Associate in Applied Science (A.A.S.) degrees in leading occupational areas such as nursing, paralegal, computer networking, law enforcement, human services, business, emergency medical services, teacher education, and more.

Located 10 minutes from downtown St. Paul, Inver Hills is an open door community college which serves over 6000 credit students each semester. Approximately 25% of course sections are offered online. Nationally recognized in adult experiential learning, Inver Hills is an Academic Quality Improvement (AQIP) institution. The college encourages students to "Finish What You Start" and provides students with support through Learning Communities, a College Success course, and tutoring/structured learning assistance. Over 90 percent of Inver Hills classrooms are high-tech.

Instructors work 171 days during a nine-month academic year and receive excellent benefits including health insurance (100% employer paid single premium or 90% employer paid family premium); life insurance; optional dental, short- and long-term disability and long-term care insurance; paid personal and sick leave; defined benefits and defined contribution (401(a) retirement plans); tuition waiver for employees and dependents; and optional 457 and 403(b) retirement savings plans.

Under the collective bargaining agreement with the Minnesota State College Faculty (MSCF), new instructors to the Minnesota State College Faculty system receive a salary placement based on education and related experience after a job offer is accepted. The maximum salary at hire is \$54,500 per academic year, depending on education and experience.

If you have a disability and need a reasonable accommodation to participate in this selection process, please contact the Americans with Disabilities Act Coordinator at HumanResources@inverhills.edu or (651) 450-3670; TTY (651) 450-3369.

Notice: In accordance with the Minnesota State Colleges & Universities (MnSCU) Vehicle Fleet Safety Program, employees driving on college/university business,

whether using a rental or state vehicle, shall be required to complete a Vehicle Use Agreement form and consent to a Motor Vehicle Records check annually.

Inver Hills does not reimburse for travel expenses for interviews.
