HIGHER EDUCATION BEGINS HERE

**Maysville Community and Technical College  
Physics Instructor (Math, Sciences & Agriculture)  
Maysville, Kentucky**

Maysville Community and Technical College is accepting applications for the following ten-month, tenure-track faculty position at the Maysville Campus:

## Physics Instructor

The start date for this position is January 2, 2012.

**Responsibilities:** The person hired for this position will be responsible for full-time instruction in the discipline, as well as, academic advising, course and curriculum development, internal and external community service, educational leadership and professional development.

**Requirements:** A Master's degree with 18 graduate hours in Physics is required. Preference will be given to applicants with an additional 18 graduate hours in a related teaching field (i.e. astronomy, mathematics).

**TO APPLY:** KCTCS/MCTC is now accepting applicant materials via an on-line process. Please visit the KCTCS website@<http://www.kctcs.edu/employee/collegejobs/> to submit your resume and application. Please send unofficial transcripts and three letters of reference to the college address. Review of applicants will begin on September 1, 2011. Search may be extended if additional candidates are needed. Position will remain open until filled.

\*\*Applicants will be notified if selected for an interview.

KCTCS/MCTC is committed to achieving excellence through cultural diversity. We actively encourage applications and /or nominations of persons of color, women, veterans and persons with disabilities.
