

Pennsylvania College of Technology is located in Williamsport, a family-oriented community, ideally situated along the Susquehanna River at the foot of Bald Eagle Mountain in North Central Pennsylvania, within 200 miles of New York City, Philadelphia, Baltimore, and Washington D.C. Penn College is Pennsylvania's premier technical college and an affiliate of The Pennsylvania State University. More than 6,500 students are enrolled in Penn College's bachelor and associate degree and certificate majors, which combine hands-on experience with theory and management education.

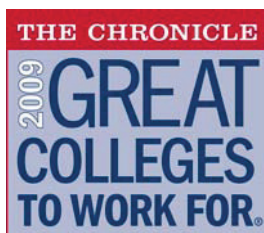

We offer a competitive salary and benefits package, excellent educational benefits for employees and dependents at Penn College and Penn State, and an exciting work experience as part of the Penn College family. For more information about Penn College, please visit our Web site at www.pct.edu.

Faculty, Mathematics (2 openings)

Due to increased enrollment and retirement, the Mathematics Department is searching for qualified individuals to fill two faculty positions. The faculty will teach a full load (15 credits/semester) in Mathematics. Specific courses may include, but will not be limited to: Business Mathematics, Developmental Math (Pre-Algebra, Elementary Algebra), Introduction to Mathematics, Statistics, Geometry, and College Algebra and Trigonometry. The focus of this position is on excellence in teaching with research recognized and valued but not required. Positions will start Fall 2010 semester, August 12, 2010.

Minimum qualifications include a Master's Degree (an earned Doctorate or Doctorate near completion is highly desired) in Mathematics, Mathematics Education, or closely related discipline with emphasis and coursework in advanced Mathematics and/or Statistics; four years of full-time teaching experience in mathematics, or one year of equivalent full-time teaching experience in mathematics at the college level; and familiarity with the use of technology in mathematics instruction, including microcomputers and graphing calculators. Related coursework in Accounting, Finance, or Statistics is highly desired. Background check will be required on selected candidates. Finalists will be required to present a sample lesson.

Submit a completed College application for employment AND a letter of interest and resume to: **Human Resources (701), Pennsylvania College of Technology, One College Avenue, Williamsport, PA 17701.** Position will remain open until suitable candidates are identified. A detailed job announcement and an application for employment are available at www.pct.edu/jobs or by calling (570) 327-4770.

At Penn College, People Make the Difference

Penn College is committed to affirmative action, equal opportunity, and the diversity of its workforce.
