

It is with great pleasure that I announce to you the appointment of Keven Dockter (Inver Hills Community College, MN) as AMATYC Incoming Conference Coordinator. Keven begins his position immediately, working closely with Margie Hobbs, AMATYC Conference Coordinator, through the end of the 2009 AMATYC annual conference. You may have met Keven in Minneapolis, where he did an outstanding job as the Minneapolis Local Events Coordinator. We are excited to include Keven in the AMATYC leadership and look forward to working with him in his term of office through 2013.

Margie will step down from her position at the end of the 2009 conference. We are very appreciative of Margie's contributions to AMATYC as Conference Coordinator and in her many other positions in AMATYC. Many thanks to her for her tireless dedication to our organization.

Plan to introduce yourself to Keven and extend thanks to Margie at the conference in Washington, DC this November.

*Richelle (Rikki) Blair  
AMATYC President  
Lakeland Community College*
