

# JOIN AMATYC PROJECT ACCESS

## Mathematics Faculty Fellowship

Are you a mathematics faculty member teaching math courses throughout the first two years of college? Are you passionate about making a difference in mathematics education? Then Project ACCESS is for YOU!

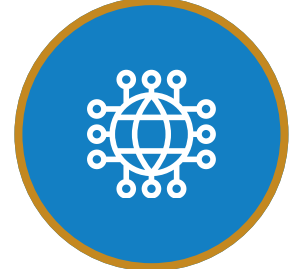

### PROFESSIONAL DEVELOPMENT

Gain access to comprehensive workshops and resources designed to enhance your teaching strategies and classroom effectiveness.

### MENTORSHIP

Receive guidance and support from experienced faculty and mentors who are dedicated to your professional growth.

### NETWORKING

Connect with a nationwide network of fellow educators and leaders in the field of mathematics education.

### LEADERSHIP SKILLS

Develop the skills necessary to become a leader in your institution and the broader mathematics education community.

### CONFERENCE PARTICIPATION

Attend the AMATYC Annual Conference with a special focus on sessions tailored for ACCESS fellows, and present a research-based project with cohort peers.
